

## **ARES Net Script**

This is (call sign spelled out phonetically) assuming net control for tonight's St Francois County ARES net.

This is (call sign), net control for the St Francois County ARES net. This is a directed net, and all stations are requested to direct all calls through net control. This is a simulated Emergency communications net and short time check-ins will not be taken. If the need arises the alternate repeater for this net is the 146.715 repeater.

This net meets each Thursday evening at 6:30 p.m. with a Simplex net to follow. The purpose of the net is to provide training and information related to emergency communications for the Amateur Radio community. All stations in the coverage area of this repeater are invited to participate. Membership in ARES is not required but is encouraged. Tonight, we have the Emergency Coordinator for St. Francois County ABOHX do you have any announcements for the net? Next, we have the Emergency Coordinator for Washington County N9XRY. Do you have any announcements for the net?

We will begin with any stations with announcements for the ARES net.

(Wait a few moments for announcements)

We will now take check-ins from all other stations. Again, please give you call sign, first name, and location slowly please.

(LOG AND ACKNOWLEDGE CHECK-INS)

(RETURN TO THE LIST AND ASK FOR FEEDBACK, RAG-CHEW, COMMENTS, ETC)

This is (call sign) with the St Francois County ARES net.

If there are no more stations, we will close tonight's net. Feel free to join us here on the Farmington repeater at 147.030 MHz with a PL of 100, Monday evenings at 7:00 P.M. for the Eastern Ozarks Amateur Radio Club net. You may also feel free to check into the Mineral Area Bible Study net on Tuesday evenings at 7:00 p.m. on this same repeater.

You are invited to attend the monthly meeting of the Eastern Ozarks Amateur Radio Club on the second Saturday of the month at the Bonne Terre Fire Department, 200 North Allen St., at 9:00 a.m. The ARES meeting immediately follows the club meeting.

If there is nothing further, this is (call sign) ending tonight's net with \_\_\_\_\_ check-ins. (Call sign) clear (or monitoring).
